Motion: To accept the contract with Kentucky League of Cities to upgrade the Personnel Policies and Procedures Manual. The one we are using was adopted July 20, 2004 and needs to be upgraded to lower the cost of insurance premiums and advised to do so by auditor. The cost is $ 3,000.00 and once complete will be updated annually for four years at no charge.
This should be done by municipal order instead of ordinance to save cost of publication.

Motion: To allow Mayor to advertise for bid the landscaping at the Fire Department to proceed with the New Training Facility. The Grant money to build this must be used or we will lose it.

First reading of ordinance for tax rate for the year 2019.

Motion: To declare the old flail mower surplus and advertised for bid. It's a ORSI Technology VMC flail mower, Model RB215, Sn# 4617. It is too large for our tractor and has been replaced due to being broke with one that is safe to use with our tractor.
